Why This Camp Is For You

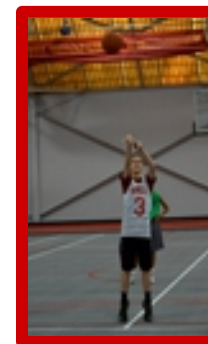

The goal of the McHoops Basketball Camp is to help develop well rounded, complete basketball players. Coach McClary and his staff believe in teaching players the fundamentals of the game along with the proper attitude and work ethic needed to be successful.

Our philosophy stresses “confidence through compliments,” teamwork, effort and sportsmanship. Coach McClary believes these ingredients help young people to achieve success not only on the court, but also with family, school, and life.

Come learn the game from a coach who has worked with the very best in basketball. Share in Coach McClary’s over 28 years of camp and coaching experience which includes working with Hall of Fame Coach Morgan Wootten.
